

About monsoon :-

Monsoon is known as rainy season also. When it is raining the nature is beautiful. The birds go to their nest and children will enjoy in rain And dance .

The farmers will be happy because

*the crops will
cultivate . not only happy some
problems also. the lakes , rivers
, dams, ponds filled with water*

the water will come into the

roads, and houses.

*When the dam , rivers are
filled with water it comes as
tsunami , floods etc*
