

Dogs

Dogs are smaller in size than most humans but can be good companions.

Some people will say dogs are very dirty, but for some people living alone they are nice friends.

*In the roads the dogs may be your friends then you
can tell them your problems.*

*"A dog is the only thing on earth that loves you more
than he loves himself"*

- Josh Billings.

*Young dogs are called puppies. Sometimes when
you are not at home the dogs will protect the home.*

Dogs and puppies have more courage, faith, and joyfulness than many humans.

People take their dogs for walks to get exercise.

Love dogs. Don't trouble them.

*They would sacrifice everything for you, but we do not
always look after them as we should.*

*If you think about dogs then you will understand about
it.*

Once I had a dog {Honey}, but she died,

Then I cried very much

Because when I went to school or the shop

Honey was with me.

*When I called her, Honey's tail would wag very fast.
She would follow me everywhere.*

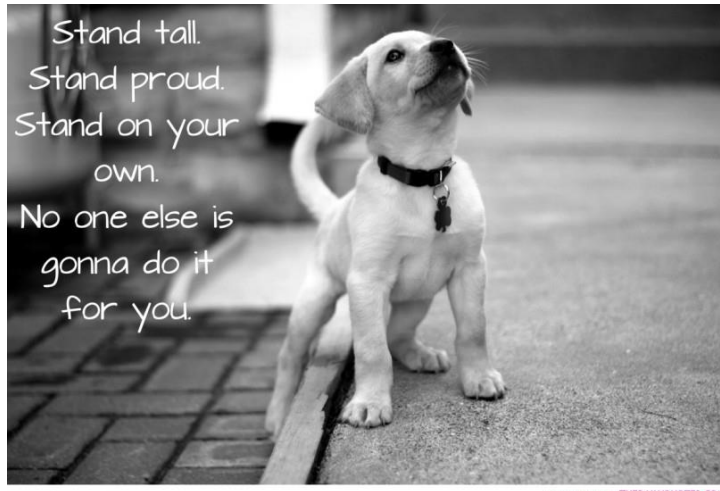

Please...

Save dogs, it will save you later.

I am very small, bright, joyful, kind, and faithful.

Please stand on your own.

Thank you, bye.
