

About flowers in heal paradise.

Dinesh work

Flowers are the natural sources in flowers
many coolers are there in India different

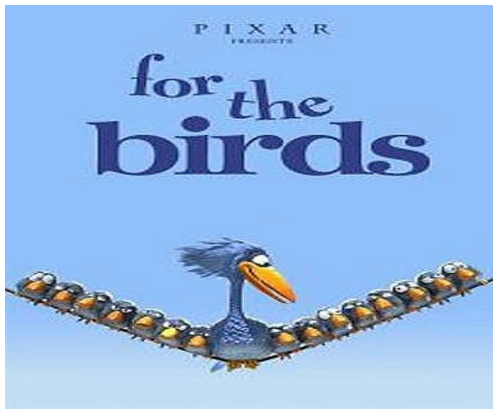

flowers are there. Lotus is the national flower in India and also trees are the important for the man so we

heal the
trees.

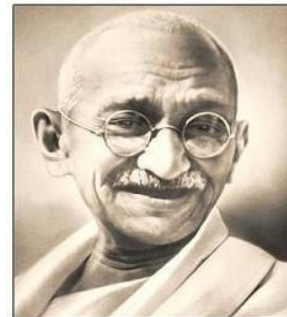

Birds are the very colorful and in India different birds are there so we in the sky birds are flying in the sky

**children's
see and
happy.**

are

En aquella época,
la India era una
colonia inglesa.

Gandhi liberó a
la India del
colonialismo inglés.

**In India so many national leaders are
there they are impartation for me.**
