

## Teachers Day

*We are students of Heal school - Bhargav, Krishna, Dayavardhan and Chandu. We celebrated Teachers Day on September 5 in our school. We enjoyed it very well. We Indians treat the teachers like a GOD. They are not of this universe and can't do anything wrong. Why? Because if there is no teacher we remain in the same place. We can't do medicine, engineering, police or business etc., so, the teachers are creators, but not destroyers. They can also help with our personal problems. We enjoyed our Teachers Day. We sat together.*

*We took part in some dramas.*

*Teachers engaged together full of happiness.*

*And Sathyaji also spoke some inspiring words.*

*And our vice principal also spoke some inspiring words for us.*

*In our 8<sup>th</sup> class we surprised our class teacher JK sir and our subject teachers. And we acted as a teacher also like Hindi sir - we like him so much and also our other teachers.*

*And finally the full form of the teacher is:*

*T= Talented.*

*E= Elegant.*

*A= Awesome.*

*C= Charming.*

*H= Helpful.*

*E= Efficient.*

*R= Receptive.*
